DETAILED ACTION

Specification

1. The specification is objected to as failing to provide proper antecedent basis for the claimed subject matter. See 37 CFR 1.75(d)(1) and MPEP § 608.01(o). Correction of the following is required: The term "second locking members being integrally formed to have a C-shape" is not used in detailed description of the embodiment.

Claim Rejections - 35 USC § 102

2. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

3. Claims 1, 10, and 11 are rejected under 35 U.S.C. 102(b) as being anticipated by U.S. Pat. No. 5,369,237 to Mejeri.

Majeri '237 teaches Applicant's claim limitations including : a "housing" – including 3, a "movable member" – including 4, an "urging member" - 6, a "movable terminal" – including 8, a "fixed terminal" – including 11, "first lock members disposed on the front and back surfaces of the movable member" – including 16,18, "second lock members" – including 19,20.

Allowable Subject Matter

4. Claim 9 is objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

5. Claims 2-6, and 8 are allowed.

Response to Arguments

6. Applicant's arguments, filed 4/4/05 with respect to rejections under 35 USC 102 have been fully considered and are persuasive. Therefore, the rejection has been withdrawn. However, upon further consideration, a new ground(s) of rejection is made in view of U.S. Pat. No. 5,369,237 to Mejeri. Accordingly, the Finality of the previous Office Action is withdrawn and since Applicant's amendment did not strictly necessitate the new grounds of rejection, this Office Action is NOT made Final.
